Message of Condolence

I am deeply saddened to learn that Most Venerable Ching Hsin, a former President of the Buddhist Association of Republic of China (BAROC) and a highly respected Buddhist leader of Taiwan, has passed away on February 15, 2020. On behalf of the Central Tibetan Administration and the entire Tibetan Buddhist community, I am offering our sincere condolences to all of his disciples, relatives and followers. On the same behalf, I am also offering our deepest prayers for the well-being of the departed noble soul.

Most Venerable late Master Ching Hsin has dedicated his entire life in reinstatement and promotion of the Buddhadharm in Taiwan, which undoubtedly will remain as the most remarkable deed of his life. Besides that he also has had a special Karmic link with the supreme leader and people of Tibet. It was none other than late Master Ching Hsin - as the President of BAROC - who invited and successfully organized two historic visits by His Holiness the Great XIV Dalai Lama to Taiwan in 1997 and 2001. Those two events had become very important milestones of friendship and understanding between the two peoples of Tibet and Taiwan. We, therefore, recognize and deeply appreciate the valuable contribution of late Master Ching Hsin in that regard.

May the noble soul of late Master Ching Hsin successfully complete its higher spiritual journey, and may all his sacred cherished wishes be spontaneously fulfilled.

Karma Gelek Yuthok (Ven.)
