

*National Council of the Slovak Republic
Slovak Parliament Group of friends of Tibet*

Bratislava, May 25, 2021

Your Excellency,

Please accept our warm congratulations for being elected to the position of the Sikyong in democratic elections. We wish you every success in representing the interests of Tibet and its people.

We admire the Tibetans for being able to hold democratic elections around the world, even in the current difficult situation. We believe that one day such free elections will also take place in Tibet.

In Slovakia hundreds of local governments and individuals annually, on March 10, fly Tibetan flag in support of freedom for Tibet. Members of the Slovak Parliament Group of friends of Tibet that had been established in 2010 also do so on the floor of the National Council of the Slovak Republic.

As a country that has experienced occupation and totalitarian regime in the past, we know how important freedom and human rights are. We support the effort of Tibetans for self-determination, freedom and democracy.

We wish you a lot of strength, determination, patience and success in your responsible position.

We would be happy to welcome you to Slovak Republic during your election term.

Peter Osuský, MP, Representative of the Slovak Parliament Group of friends of Tibet

Gábor Grendel, Deputy Speaker of the National Council of the Slovak Republic

*His Excellency
Penpa Tsering
