Hon. Chief Minister,

I offer my greetings as the newly democratically elected Sikyong of the Central Tibetan Administration (CTA) and the Tibetan people.

I cannot overstate the significance of the support provided by your office and the State government. I express my deep gratitude to the State Government of Himachal Pradesh and its people for providing home away from home to His Holiness the Dalai Lama and the Tibetan people.

Through this letter, I express my wish to call on you to pay my respect and seek a consistent channel of communication with you and your kind office. In this regard, kindly advice on a preferred channel through which my office may reach Your Excellency for further correspondence.

I would also welcome the opportunity to host your honour at the Central Tibetan Administration on your next visit to Dharamshala.

Kindly accept, the assurance of my co-operation at all times.

Sincerely,

Penpa Tsering
Sikyong
