Congratulations to His Excellency the President of the Tibetan Government-in-Exile Mr. Penpa Tsering

Dear Mr. President Penpa Tsering,

We congratulate you on your election as President of the Tibetan Government-in-Exile and wish you great strength and success in the tasks ahead of you. With your election, Tibetans worldwide associate great hopes. At the same time, the challenges have never been greater. Whether it is the attempt to resume a dialogue between the Chinese government and representatives of the Dalai Lama, the regulation of his succession or the restoration of basic civil and human rights of the Tibetan population.

We wish you all the best in your activities aimed at finding a "Middle Way" and assure you and Tibetans worldwide of our solidarity and support.

With kind regards

Margarete Bause
